Waste Fats Mean More Soaps

It has been calculated that every American housewife washes six tons of dishes every year! Add up the accumulation from 365 breakfasts, luncheons, dinners and in-between snacks and the total would fill six trucks, experts say.

Staggering as the task of washing six tons of dishes sounds, imagine how much more impossible the job would be without soap! The prospect of a soap-less life is not on the horizon, however, as long as housewives keep up their present rate of salvaging fat.

Department of Agriculture authorities point out that if it had not been for salvaged fat in 1945, housewives keep up their present rate of salvaging fat. Even so there are not enough industrial fats and oils available to meet the demand for soaps and other goods the public wants.

Sixteen tablespoons of used fat makes a pound. One pound of used cooking fat turned over to a meat dealer helps relieve the short-

age of industrial fats and frees enough soap fats to help make a box of packaged laundry soap, or six bars of laundry soap, or five bars of toilet soap.

GRIDIRON GLIMPSES

By DON E. BEATTIE, News Sports Editor

MORE THAN 100 SALEMITES witnessed a "first" in professional sport entertainment at the Akron Rubber Bowl Friday night! And it was a "first" that may well mark the beginning of one of the biggest and most successful major sports undertakings in the history of professional endeavor in this sport-crazy country.

The occasion, if you don't know, was the pre-season exhibition between the Cleveland Browns and the Brooklyn Dodgers before the largest crowd in Akron's history—35,564 paid admissions, totalling \$101,206, the largest exhibition gate in pro football history.

OVER AND ABOVE THE FACT that the football game itself was one of the most thrilling imaginable (the Browns winning 35-20), the "first" angle comes in when you consider what the fans there received for the usual admission take.

Besides seeing the best football game in a stadium, fans saw the debut of the new and cash-laden All-America Football conference, a marching band which gave them bits of good solid "swing" music, regular college formations, serious and "throat-lumping" drama, novelty numbers and a fireworks display that brought loud and appreciative "awes and ohs" from the assembled mass. The half-time show alone lasted 35 minutes.

It was a night that no one will forget for a long time and it ushers in an era in sport which may make the day of a staid old football game a thing that only future old timers will remember.

THE GUY WHO CAN say that he remembers the day when thousands of people gathered in a stadium to witness simply a sports contest may be over. For the Browns—financially well backed by Taxi Magnate Harry McBride of Cleveland—"out-Weekend" the Indians Bill Veeck Friday, and promises more of the same in the future.

The show Friday combined football talent carefully banded together by Coach Paul Brown and a beautiful group of 30 "dollies" banded together by George "Red" Bird, former Massillon band director, now entertainment director for the Browns.

Bird spoke here at the spring concert of the Salem High school band. He was then in the midst of his organizational plans for the "Musical Majorettes," the group that struck a perfect chord with the fans at Akron Friday.

THE AMAZING THING ABOUT the tremendous show the Cleveland Browns and their Musical Majorettes are presenting, is that it is simply a "big time" presentation of what all Ohioans have seen for years on their own respective High school gridirons.

The show is better, of course, than most put on by the High schools, but it has that same ring of enthusiasm, amateurishness and "aim to please" purpose that all of us see week in and week out right here at home.

Perhaps that is the reason for the show's immense success Friday.

PAUL BROWN rose from High school ranks, in sensational fashion, George "Red" Bird's path to certain fame is ever fresher. Both came from Massillon High school, where football and football shows drew larger crowds than all of Ohio's colleges, barring Ohio State.

Maybe that's the answer to the estimated 10,000 persons who literally fought to get into the Akron Rubber Bowl Friday—and couldn't, because it was already filled.

Maybe it isn't. But nevertheless, the Browns are dishing out a show that people obviously like and it's a cinch most people in the area are going to be right behind the Browns to win the first All-America championship.

Leetonia-Bowling Center To Clash Tonight

Rudy Schuster Chalks Up Golf Club Championship

BATTLES FOR CITY CROWN

TO BE RUN OFF AT REILLY IN TWO-OF-THREE SERIES

Tonight's opener in the city softball championship series should be a good one.

The American league winners, Leetonia, and the Bowling Center will tangle in a best two out of three series at Reilly field, which should exhibit some of the fastest softball seen in Salem all year.

Both teams are noted for their aggressiveness and speed and daring on the base paths. Both are good hitting teams. Leetonia having led the American league clubs with a seasonal mark of 278. The Bowling Center 10 finished third in batting in their league with a 266 average.

Managed by colorful Ralph Mancuso, the Crescent will field a squad tonight that breezed through the league Shaughnessy playoffs with only one loss. That was a 2-1 one hitter hurled by Mullins' John Zines. Pitcher John Clunen, Crescent ace hurler, has a season's mark of 18 wins against 5 losses. During the Shaughnessy's he was almost invincible and twirled his best games of the year.

The loss of Neil Kegelmeyer, hard hitting, shortstop, was a severe blow to Manager Mancuso. Kegelmeyer, who finished second on loop hitting, broke his finger in the second game against Mullins last week. Also not expected to play is Guy Beltempo, Leetonia's outfielder, who is now away at college.

Mancuso's team, however, has made up in drive and hustle what they have lacked in hitting and fielding this year. They will be sure to give the Bowling Center a good game on any given night.

The latter team sprang a minor surprise by their performance in the playoffs. After drawing Demings, who led the league in standings all year long, they proceeded to whip the Pumpmakers in two straight games. Their two wins over the Salem China, by huge scores, displayed a hitting prowess that should worry any opponent.

Led by Shortstop Wayne "Kirby" Laughlin, who batted at a 420 clip this season, the Center lads have four men who are batting over 300. They, too, rely on speed, as exhibited by their base running against the China.

The Center twirler, Wayne Hahn, is one of the finest on the local scene. He is also one of the squads leading clubbers, with a mark of 333.

The team has used only about 12 or 13 players all year and so have not been handicapped by strange lineups every game as were some of the league teams.

The series, therefore, should boil down to a contest between the long ball hitting of the Bowling Center and Leetonia's pitching and speed. Picking a favorite would be too much of a task for anyone to take on, especially since local playoff games have been famous for upsets.

The preliminary games this week will feature the two Class B round winners, the Little Gems and Goodrich. The Goodrich team won the initial round with an undefeated record, but succumbed in the second half of the season to absorb several defeats, while the Gems were walking off with top honors.

Managers for the two squads are Tommy Miner of the Goodrich team and Tony Martinelli of the Gems, both of whom are on Ben Barrett's grid squad.

An intense rivalry has existed between the two clubs this season, with their two games being split, each winning one tilt.

The Class B game will get under way at 8 p. m., followed by the feature Class A tilt at 9 under the Reilly field lights.

Joe Kelley, league manager, has announced that trophies for the two league champions and for Bob Miller and "Howdy" Kerr, league batting leaders, will be presented Wednesday night between games.

Walker Cooper, Giants—Opened eight-run rally with his home run with two on in New York's second game 8-3 victory after Braves had copped opener.

Ed Bahr, Pirates, and Russ Bauers, Cubs—Bahr serviced shaky start to beat Cubs, 4-1; Bauers recorded first victory in 7-3 second game.

Hank Greenberg, Tigers—His two-run homer gave Detroit 2-1 shade over Chicago in first of doubleheader.

Bobo Newsom, Senators, and Joe Flores, Athletics—Newsom trimmed old Philadelphia mates, 5-2; Flores earned fifth straight victory, 7-1.

DODGE, A. C. SPLIT IN WEEKEND GAMES

Two local hardball teams split four decisions over the weekend, as the Ahouse Dodge nine broke even with the Tiltonsville Indians Labor Day by scores of 7-6 and 1-4, in games played at Lake Placidia, while the Salem A. C. lost to Dover 9-5 and won over Sebring 11-4 at Centennial park.

Although won the first game yesterday in a wild and woolly affair. Thirty-one hits were registered in the game, with the winners getting 15, "Lefty" Heinaman was the winning pitcher as he fanned eight and walked three.

The Lakers lost the second game when the Indian hurler, Vitters, set them down with only four hits.

The Salem A. C. piled up 18 hits Sunday to whip the Sebring outfit, but allowed Dover 11 bingles Monday in losing an Eastern Ohio league tilt. "Hoppy" Hampton was the losing hurler on the holiday, while Frank and Loudon combined to win Sunday's game.
